

# Gilgandra Youth Summit

Have Your Say!

## Community Consultation Session:

Tuesday, 3 December 2024  
5pm for 5.15pm start - 6.15pm  
Gilgandra Services Club or  
online

Gilgandra Shire Council is working on our first Youth Summit, to make Gilgandra a great place for our children and young people to live, today and tomorrow.

Council has engaged the University of Newcastle to design the Strategy. This includes consulting people in the community about their experiences, opinions and ideas to help us develop a blueprint for the future.

As an organisation that works with and for children and young people, we need your assistance. We are keen to hear from you about what you see as the needs, strengths, challenges and opportunities for Gilgandra's young people and to gather any other ideas you have for what should be included in the Youth Summit. For this reason, you are invited to a one hour, online or face to face workshop that Council is hosting with local businesses, community sector organisations, sporting groups and others. Light refreshments will be provided and children are welcome - playground and snacks will be available.
