

# Gilgandra Green Space Summit

Have Your Say!

## Community Consultation Session:

Tuesday, 26 November 2024  
5pm for 5.15pm start - 6.30pm  
Gilgandra Services Club

**Gilgandra Shire Council is working on our first Green Space Summit, to ensure Gilgandra's parks, sports fields and civic areas meet community needs now and into the future.**

Council has engaged the consultant team of Better Cities Group to design the Strategy. This includes consulting people in the community about their experiences, opinions and ideas to help us develop a blueprint for the future.

As an organisation that has a connection to our green spaces, we need your assistance. We are keen to hear from you about what you see as the needs, strengths, challenges and opportunities for Gilgandra's green spaces and to gather any other ideas you have for what should be included in the Green Space Summit. For this reason, you are invited to an hour and half, Gilgandra Green Spaces Summit that Council is hosting with local businesses, community sector organisations, sporting groups and others. Light refreshments will be provided and children are welcome - playground and snacks will be available.

**RSVP:**  
5pm, Thursday, 21 November 2024
